

Corporate Charity Challenge

What is the Riverside Relay Marathon?

Great question! The RRM is a 1.09 mile looped course on Riverside Dr. and Lower Dress Plaza where a team of up to eight people will take turns running a total of 24 laps (26.2 miles - a full marathon distance). Our goal with the event is to create an atmosphere where friends, family and co-workers can work together to raise money for charities and enjoy some friendly competition while having a lot of fun in downtown Evansville.

Why should my company be involved?

The Corporate Charity Challenge is a great opportunity to rally the troops with a little healthy competition that promotes teamwork, community service and health & wellness. Whether you have a small team or a big team, the CCC is a way to get everyone involved and working toward the same goal.

CCC teams will not only be competing during the race, but before the race, we challenge your team to help raise money for a charity that is important to your company. When you register your CCC team, you will receive a donation link for your charity that you can forward to anyone in the world to let them know what your company is doing and how they can help.

What else comes with the Corporate Charity Challenge team entry?

By signing up for a Corporate Charity Challenge team (\$1000), your organization will receive the following benefits:

- Up to eight entries for the Riverside Relay Marathon (additional entries for your company can be arranged at a discounted rate – Participants receive a medal and an event shirt)
- \$100 of your company's entry goes to the pool for the Non-Profit Challenge.
- Company logo on the finish line shoot
- Company logo on the event shirt
- Company name listed in print advertising
- Company logo displayed on event website
- Designated location in 'Pit Row' for a team tent

Corporate team Awards will be given out to the top three finishers in the following three categories: Time, Team Spirit and Money Raised.

We hope your organization will join us as we try to build the biggest community fundraiser in the nation right here in Evansville, IN. We appreciate your time and consideration.
