

Non-Profit Challenge

What is the Riverside Relay Marathon?

Great question! The RRM is a 1.09 mile looped course on Riverside Dr. and Lower Dress Plaza where a team of up to eight people will take turns running a total of 24 laps (26.2 miles - a full marathon distance). Our goal with the event is to create an atmosphere where friends, family and co-workers can work together to raise money for charities and enjoy some friendly competition while having a lot of fun in downtown Evansville.

How do you plan to raise money for charities?

There are a few different ways we plan to do this.

1. We will encourage all participants of the race to choose one of our Non-Profit partners and help raise money for those charities via a link they receive when they sign up.
2. We have a Non-Profit Challenge where NFP's can enter and compete against other NFP's for a portion of a prize pool (minimum \$2500).
3. Teams participating in the Non-Profit Challenge will be given a link to a donation page that is specific to their cause and can be sent out electronically to anyone.

Tell me more about the Non-Profit Challenge.

The NPC is a great way to engage all the people that are vital to your growth and success. You can get your employees, your donors, your Board of Directors or even the people you serve involved in this as either a runner, a cheerleader (all are invited to the race) or an active participant in helping you reach your fundraising goal. Imagine, a fundraising event that requires no logistics, no staff resources, no planning...we handle all of that! You just need to spread the word, rally the troops and come out and have a great time.

Entry to the Riverside Relay Marathon's Non-Profit Challenge is \$500 and your organization will receive the following benefits:

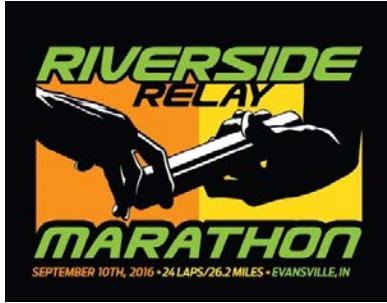

- Up to eight entries in the race (participants receive event shirt and medal)
- Organization logo (with donation information) on registration site
- Organization listed on race print advertising
- Organization logo on race website
- Organization logo event shirt
- Organization will be eligible to win a portion of the NPC Prize Money
- Organization will be allotted a space in 'Pit Row' to set up a team tent
- Organization logo on finish line shoot
- The opportunity to raise thousands of dollars with just a few easy steps

We hope you and your charity will join us as we try and make history here in Evansville! For more information on the Riverside Relay Marathon, check out our website EvansvilleSports.org/riverside-relay or call Jason Sands at 812-434-7699.
